Headline:
Dry, hot and sunny.

Today:
Another mainly dry and sunny day across all areas. Widely hot and this could set off an isolated heavy afternoon shower. Sea breezes keeping some eastern coastal areas fresher. Maximum temperature 31 deg C (88 deg F).

Tonight:
A very warm evening with plenty of late sunshine will lead to a dry night with some clear spells. It will be very mild or even warm once again overnight. Minimum temperature 17 deg C (63 deg F).

Friday:
Another hot day. Once again largely sunny and dry, but a few isolated heavy showers could break out in the west in the afternoon. Maximum temperature 30 deg C (86 deg F).

Outlook for Saturday to Monday:
Dry and often sunny over the weekend. It will remain warm or very warm, although less hot than recent days. Cooler and cloudier on Monday, but mostly dry.
